

WhatsApp Group Posts Protocol

Dear Arain Families, Salam.

It is a matter of pride for all of us that in a short time, the Canadian Arain community has grown into a full-fledged organization. However, with this it becomes imperative that we chalk out and reiterate Rules of Functioning for the participation and convenience of all family members including our young children. I as administrator have felt the need to identify certain rules of Whatsapp , based on observations and feedback from our Biradari members. The policy of its usage and control are appended underneath, which will make

Our family group more effective, informative, non-political and pleasing for all participants. In this, I would seek cooperation of all our group members without any inhibitions.

1. All members must adhere to moral, social and civil ethics of our muslim society.
2. No offensive material or literature will be posted by any member of the group.
3. All material/literature of Arain community, prevailing problems, dynamics and suggestions for future growth of Biradari including our next generation should be the Focal Points of all our messages. However, educative, general knowledge and decent light humor materials can be also exchanged with productive views to make our group conducive to learning for all.
4. All matters pertaining to International Arain Community will be routed through the administrator.
5. The opinion and mindsets of members on any matter will be respected and there will be No Rebounds by any members. If one feels strongly on any opinion, it is requested that discussions should take place in personal meetings or via telephone conversation but not on our Whatsapp net.
6. Politics is a matter of opinion, Loyalty and mindsets. Therefore, anything on the subject, lets Electioneering or local/Canadian government policies affecting all, is Totally Banned.
7. Members are requested not to clutter up the net in appreciating any individual members post as it amounts to psychopathy. Goes against our business rules.
8. Members should be considerate in not over usage of the net to project themselves. Any one showing excessive usage will be once asked to refrain by the Monitoring Committee after due approval of the Administrator and second violation will suspend the member from Whatsapp group(should not be equated as that from our Canadian Arain Organisation ACC) for period of and upto Three Months.
9. For such monitoring and decision, as per popular suggestions/recommendations a Protocol Committee comprising three Members for every year will be recommended by the Administrator and approved by the Arain Council Canada.
10. For the year 2020, the Committee will consist of following members:

- a. Engr. Tahir Chaudhry – Lead
- b. Engr. Mian Mudassar- Member
- c. Engr. Khalid Tabassum- Member

11. The Committee will, without any prejudice, review all posts on our Group Whatsapp and delete all messages which are nefarious, political views and mind sets on political personalities/individuals and leaders or of debatable topics. My humble request to all members that in case an individual feels strongly in removal of his message/post, that he accepts it Gracefully in interest of all other members and not create a division in our Biradari. However, as a courtesy, a Committee member will call the originator of such message to himself delete the post and refrain from putting up such posts before taking deleting action.
12. If any user after three notices does not stop such posts, personal attacks, he will be blocked from ACC group for 3 months and if repeats again, then he/she will be blocked for one year. User will remain our Biradari (ACC) member but will not have access at ACC WhatsApp group.
13. Pls limit your general posts as much as possible but posts related to Canadian Arain Community welfare has no limits.
- 14. Committee decision will be final and Admin will implement immediately.**

I hope all members will understand that this has become a necessity to maintain our dignity with our families and particularly with our young generation, who also have access to our Whatsapp group and also for the unity of our Biradari in Canada.

Finally, my very best wishes to my fellow Arains with prayers that all remain safe and blessed during the current Pandemic of Covid 19

Kind Regards

Mahboob Mian
